Inventory, Salvage, & Liquidation Specialists

UNITED SALVAGE ASSOCIATES, INC

www.unitedsalvage.com

United Salvage Maximizes Your Recovery
CEO Lee Shore and USA's team of veteran salvors are at your location within 24 hours and remain immediately accessible via text, phone, and email around the clock. Our hands-on approach allows us to **Assess and Stabilize** contents, execute an **Inventory Verification and Recovery Plan**, and complete **Salvage Liquidation** to guarantee your maximum salvage return.

Full Service
We provide reliable, full service recovery from assessment to inventory verification to salvage. Our robust network of resources, financial strength, and over 40 years of experience ensures we can handle your job with care and integrity, with broad experience across industries from retail, industrial, warehouse, and heavy equipment salvage.

Visit our website unitedsalvage.com or call us at 1-800-229-0578 for a complete listing of services and liquidation options.

Frequently Asked Questions

Do you do inventory too, or just salvage?
We offer a full suite of inventory verification and salvage services.

How do I start a New Loss Form?
You can start a New Loss Form directly from our website.

What are my liquidation options?
USA offers customizable options to liquidate your merchandise.

Do you provide desk reviews?
Yes, professional third-party evaluation of an existing inventory or salvage operation.

Can you work with my company's particular software tools?
We deliver all documentation in universal formats that can be customized for your special data needs.
